BACKGROUND

Out of School Tuition is a one-off programme which offers 10 tuition sessions (over 1 school term) to Ngāi Tahu children. It provides additional support, both remedial (catch-up) and extension (for gifted children), and for senior secondary students sitting examinations in Term 4.

Each term, Te Rūnanga supports students through the provision of Out of School Tuition across New Zealand. The intention of this pūtea is to complement the support which should already be provided by your child's school.

If you are unsure of the support provided by the school, you might like to talk to your child's classroom teacher or the school principal.
